MEMORANDUM FOR: DIRECTOR OF CENTRAL INTELLIGENCE

VIA : Deputy Director (Plans)

SUBJECT : Request for Approval of Nomination of Mr.
[redacted] as a Member of CIA
Research Board

1. This memorandum contains a recommendation for your approval which is outlined in paragraph 2.

2. The CIA Research Board has need of a member active in the field of chemistry. I suggest that [redacted] the [redacted] be appointed for membership to the CIA Research Board.

3. [redacted] is a chemist of high standing and of long experience in the chemical industry, both in management and technical work. He has served as a consultant to Government including such activities as Member of the President's Scientific Advisory Committee, Panel on Scientific and Technical Manpower and as Assistant Administrator, National Production Authority, Chemical Rubber and Forest Products Bureau, and a Director and Member of the Executive Committee of the Manufacturing Chemists' Association.

4. [redacted] has been cleared and we have ascertained that he is highly motivated and would be willing to come on the board if invited. If the above suggestion meets with your approval I will proceed accordingly.

[redacted]
Research Chairman

CONCUR:

Deputy Director (Plans)

MEMORANDUM FOR: DIRECTOR OF CENTRAL INTELLIGENCE**VIA : Deputy Director (Plans)****SUBJECT : Request for Approval of Nomination of Dr.**
[redacted] **as a Member**
of CIA Research Board

25X1

1. This memorandum contains a recommendation for your approval which is outlined in paragraph 2.

2. I suggest that [redacted] be invited to serve on the CIA Research Board. [redacted] is a distinguished surgeon [redacted] and is held in high esteem in scientific as well as in the medical field. It is felt that his particular knowledge and experience would be of great value to the Agency's research effort. From long personal knowledge I feel that he would take great interest in the Agency's affairs. Request is therefore made to invite [redacted] to serve on the CIA Research Board to fill the vacancy caused by the death of [redacted]
